We are a distinguished name engaged in trading, supplying and importing a comprehensive range of Flexible Packaging Material and Paints. Our products are praised for their long lasting life and optimum quality.

## About Us

Our organization, '**Manish Printing & Packaging**' was established in the year **1980** as a trader, supplier and importer firm. Legally accredited as a proprietorship firm, we offer a quality-assured range of **Flexible Packaging Material and Paints** to our valued clients. Our products are acquired from authorized vendors of the industry, who hold immense expertise in fabricating premium quality products. We have the requisite infrastructure and facilities, which allow us to store the purchased products in a safe and organized manner. Our team of skilled professionals helps us in maintaining proper records of the inflows and the outflows. Furthermore, our range is delivered to the clients within the postulated time frame owing to our wide distribution network. The products offered by us are available at industry leading prices and therefore, easily fit in with the budgetary constraints of the clients. Our mentor, '**Mr. Harilal Dalwani**' is a highly experienced and skilled businessman. He holds rich product knowledge and in-depth understanding of the domain. His expertise and managerial skills have enabled us to scale new heights of success.
